Tuberculosis—Training School for Nurses for Treatment of. (Act Mar. 8, 1915.)

SECTION 1. The State sanatorium for the treatment of tuberculosis, located at Sanatorium, N. C., is hereby authorized and power is hereby expressly given it to organize and conduct a training school for nurses in connection with the said sanatorium.

SEC. 2. The superintendent of the said, the North Carolina sanatorium for the treatment of tuberculosis, shall be ex officio dean of the training school for nurses, and he shall have power and authority to appoint such faculty, prescribe such course or courses of lectures, study, and clinical work; and award such diplomas, certificates, or other evidence of the completion of such course or courses as he may think wise and proper, and perform such other functions and do such other acts as he may think necessary in the conduct of the said training school.

Tuberculosis—Local Authorities Authorized to Provide for Treatment at State Sanatorium. (Act Mar. 9, 1915.)

SECTION 1. That any city or town in the State of North Carolina through its board of aldermen, town council, or other governing body, and any county in the State of North Carolina through its board of commissioners, is hereby authorized and empowered to provide for the treatment of any tubercular person or persons resident in and who is a bona fide citizen of said city, town, or county, at the North Carolina sanatorium for the treatment of tuberculosis, and pay therefor to the said North Carolina sanatorium for the treatment of tuberculosis an amount which shall not be more than \$1 per day per patient.

OREGON.

Ophthalmia Neonatorum—Notification of Cases—Directions for Treatment of. (Chap. 210, Act Feb. 23, 1915.)

SECTION 1. Should one or both eyes of an infant become inflamed or swollen or reddened at any time within two weeks after birth, it shall be the duty of the midwife or nurse, or other person having the care of such infant, to report in writing within 24 hours after the discovery thereof, to the health officer or legally qualified practitioner of the city, town, or district in which the mother of the child resides, the fact that such inflammation or swelling or redness exists.

SEC. 2. That it shall be the duty of said health officer, immediately upon receipt of said written report, to notify the parents or the person having charge of said infant of the danger to the eye or eyes of said infant by reason of said condition from neglect of proper treatment of the same, and he shall also inclose to them directions for the proper treatment thereof.

SEC. 3. Every health officer shall furnish a copy of this act to each person who is known to him to act as midwife or nurse in the city or town for which such health officer is appointed, and the State board of health shall cause a sufficient number of copies of this act to be printed and supply the same to such health officer on application.

SEC. 4. Any failure to comply with the provisions of this act shall be punishable by fine of \$25 to \$100 or imprisonment not to exceed 30 days, or both.

[This act becomes effective May 22, 1915.]
